

## **Exeter International Airport SAFETY POLICY - GENERAL PUBLIC**

Exeter and Devon Airport Limited has established a safety policy to ensure, so far as is reasonably practicable, the safety of all users of the Airport including contractors and their staff, tenants and concessionaires and their staff, passengers, visitors and the general public whilst on Exeter International Airport premises.

Exeter and Devon Airport Limited will meet this responsibility, so far as is reasonably practicable, by the following means:

- The provision of a comprehensive information service so that passengers and visitors are not inadvertently subjected to safety hazards.
- The provision of adequate resources to ensure that passengers, particularly the aged and infirm, are processed through the Airport Terminal without risk.
- Subject to the overriding requirements and regulations of the Home Office, Immigration Service and Port Health Officer, providing a Port Health facility so that Immigrants and UK Nationals returning from areas with endemic diseases are subjected to health controls and the risk of affecting airport staff and other users is minimised.
- The maintenance of public areas in a safe condition.
- The maintenance of all equipment on which cargo, baggage and passengers and visitors may be conveyed in an efficient and safe manner.
- Informing concessionaires, tenants and other airport users and their staff of the need to comply with the management policies.
- Ensuring that Public Liability Insurance Cover is maintained.
- Informing contractors, when engaged in construction and development projects, that they and their staff have a duty not to endanger the general public or themselves.

This policy will be reviewed annually and updated accordingly by the Managing Director It shall be made available to all members of staff via notice boards and the Airport's intranet and be available to the public through our website: [www.exeter-airport.co.uk](http://www.exeter-airport.co.uk)

Jamie Christon
