Hello

Welcome to this latest edition of our Fly Exeter brochure with ideas for holiday destinations and our scheduled service flights.

Exeter Airport now offers year-round flights to Alicante and Malaga on the Spanish mainland and to Gran Canaria, Lanzarote and Tenerife in the Canaries. Our early summer flights, starting from March, also go to Cyprus, Portugal and Majorca.

From May our range of summer destinations increases and includes the Greek islands of Corfu and Rhodes, plus the other islands of Ibiza and Menorca in the Balearics.

Special holiday operator trips go to Austria, Switzerland and Italy, with Croatia and Slovenia returning to the schedule for 2017.

For weekend breaks or business trips we have flights to Amsterdam and Paris; there's a frequent service to Manchester with its worldwide connectivity, plus the link to London City and routes to Glasgow and Edinburgh, the Channel Islands, Belfast, Dublin, Newcastle, Norwich and the Isles of Scilly.

I hope you find this brochure of interest when planning your holidays and flights and we look forward to welcoming you at Exeter Airport.
