Hello

Welcome to this latest edition of our Fly Exeter brochure with ideas for holiday destinations and our scheduled service flights.

Flybe's summer schedule for 2017 offers 17 routes and a choice of up to 114 flights a week. We have increased frequency on flights to Manchester, with a choice of up to four a day. This gives our passengers more flexible travel options, increased connectivity and wide-ranging opportunities to enjoy onward travel on other Flybe routes, or seamless long haul travel with one of the airline's many codeshare partners, which include Virgin Atlantic, Emirates and Cathay Pacific.

Flybe have year-round flights to Alicante and Malaga on the Spanish mainland whilst Thomson fly twelve months a year to Gran Canaria, Lanzarote and Tenerife in the Canaries. Our early summer flights from March also go to Cyprus, Portugal and Majorca. These are followed by the summer routes to the Greek islands of Corfu and Rhodes, plus the other islands of Ibiza and Menorca in the Balearics.

Special holiday trips are also operated to Austria, Switzerland and Italy, with Croatia returning to the schedule for 2017.

For weekend breaks there's Amsterdam, Paris and London (City) and our other flights are to Glasgow and Edinburgh, the Channel Islands, Belfast, Dublin, Newcastle, Norwich and the Isles of Scilly.

I hope you find this brochure of interest when planning your holidays and flights and we look forward to welcoming you at Exeter Airport.
